Shawn McMahon tells us that the Canfield Co of Chicago has put out a new line of non-carbonated drinks called Fruit Cup. They are available in lemonade-apple-fruit punch-cherry-orange.

From Dennis Fewless, the 76 brand is now available in lem'n lime light & cola light.

Tom Schipper states, "I have reached 1,057 cans and still going strong ". He sez if he wasn't a member he never would have made it this far, he thanks all of you for helping.

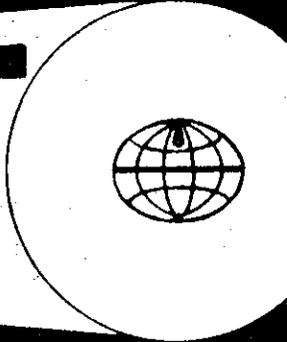

Having disposed of my soda can collection, I want to take this opportunity to thank you, all of my friends, with whom I have had dealings. I had enjoyed collecting very much, but most of all, I treasure the friends I made. Happy collecting to all !!! Elmer Oehlke #28

From Dennis Fewless again, The Clarson Canning Company, Richland Center, Wisconsin is no longer canning the Hillbilly brand. They are now canning the "76" brand to replace it.

**THE CAN WORLD SPOTLIGHT** 

By: PAUL W. BATES

Beginning in this issue of the NPCC, a new series is being started to furnish updates to the recently published "CAN WORLD POP CAN COLLECTORS GUIDE". Each month a complete page of pop can pictures and values will be published which can be placed in the new book as supplements.

This month we have spotlighted the CONE TOP POP CANS and have included some newly found cans as well as pictures of cans previously listed. We sincerely hope that this series will stimulate a greater interest in pop can collecting and will serve as a handy reference in your trades and acquisitions of new pop cans.

The "CAN WORLD POP CAN COLLECTORS GUIDE" can be ordered from CAN WORLD, Ridgecrest Drive, Goodlettsville, TN 37072 for \$12.95 plus \$1.00 shipping charge.
