NEWSLETTER

## SORRY FOR LATE NEWSLETTER

NPCC must sincerely apologize for the late newsletter.

However, due to circumstances beyond our control (poor health) we are just getting out the newsletter.

You will be getting the next newsletter in a couple weeks and this will catch us up.

---

Now that the weather will soon turn in our favor it is time to think about getting out and finding new cans for your collection.

You can find a lot of cans along the road side that were discarded from car windows.

Also flea markets will be in full swing. So be on the look-out for cans to add to your collection.

We hope that if you find any rare cans you will let us know so we can share the information with other members.

Also let us know about any shows so we can pass that on to others members.

ROOT BEER CANS

Since rootbeer cans are so very popular with the soda can collector we have more pictures of rootbeers again this month. Hope you find a few you don't already have.

It always helps to know what is available. Hope you are enjoying your hobby whether you collect rootbeers or all kinds.

**TELL YOUR FRIENDS ABOUT NPCC .....**

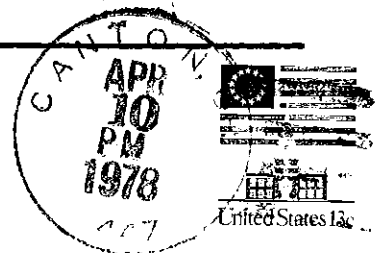

There are thousands of pop can collectors in the U.S.A. who have no idea that there is a club for collectors. So tell your friends and anybody you know about NPCC because the more eyes we get looking for pop cans, the more rare and valuable cans will turn up.

We will send everyone some extra applications but if you need more, let us know!

For those of you who set up at flea markets and shows and think you could use quite a few flyers, let us know and get in on another "special".
